

# RAVENOL Show & Shine Tire Care Foam

**Kategorie:** Car care products

**Artikelnummer:** 1360037

0.4L | 1360037-400

**RAVENOL Show & Shine Tire Care Foam** is a tire foam designed for the cosmetic restoration, preservation and protection of new, used, or heavily worn tires.

**RAVENOL Show & Shine Tire Care Foam** conditions and protects the tire sidewalls from UV radiation, cracking, aging, and embrittlement, and provides a silky shine like that of new tires.

**RAVENOL Show & Shine Tire Care Foam** delays re-soiling by dust and dirt thanks to its special antistatic effect.

## Application Note

Shake **RAVENOL Show & Shine Tire Care Foam** prior to use. Spray the sides of the tire from a distance of around 20cm evenly with **RAVENOL Show & Shine Tire Care Foam** and allow the foam to take effect. Rinsing or wiping is not necessary.

Note:

- Do not use on hot surfaces or in direct sunlight.
- Do not spray on the tread of the tires (especially on two-wheeled vehicles) or the brakes
- Does not substitute for replacing old or worn tires

## Characteristics

- Improves appearance by refreshing and intensifying color
- Silky matt shine effect
- Protects against aging, brittleness, cracking, and fading caused by UV exposure
- Suitable for all tire types (exception: not for motorcycle or bicycle tires)
- Cleans, conditions, and protects in a single step
- No wiping or rinsing required
- Does not damage rims, rubber, paint, or other synthetic materials
- Free of AOX
