gentle cleaner for all paintwork, glass, mirror, and other exterior surfaces of vehicles. It is perfect for degreasing surfaces before applying and using any detailing products such as **RAVENOL Window Sealant**, **RAVENOL Detailing Elixir**, **RAVENOL Wheel Cleaner**, **RAVENOL Wax**, **RAVENOL Polishing films** and **stickers**.

It effectively removes fingerprints, grease residues, and light dirt thanks to its cleaning action, while being safe for plastic, rubber, and other sensitive materials found on vehicles.

It is also suitable for cleaning aluminum.

Application instructions

Spray on, left to work briefly and then thoroughly wiped off with a lint-free cloth, e.g., from the **Autopflegeset (RAVENOL Microfiber Cloths Car Care Set)**. Make sure to avoid further soiling. When used as intended, it is suitable for all materials (except
